FROM THE DESK OF PRINCIPAL & DIRECTOR

I feel immense pleasure in announcing that Kamla Nehru School, the unmatched seedbed of Motilal Nehru School of sports is publishing its prestigious e-magazine "THE KNS TIMES". Dear students during this obnoxious pandemic that disconnected the unbreakable bond between you and me, I hope you are well with your parents at your home. This is the time to respond to the adversity with achievement. Being nostalgic I am waiting for your arrival to recollect and revive my own childhood in you. This is high time to face the pandemic with courage and evolve new ways to overcome the negative vibes that has become the part of our life. We have planned a lot of fun loving and educative activities to shape your future and make you a real human being who will not only illuminate your circle but guide the society for noble cause like the pole star.

The future is full of opportunities, let us grab them together. Dear children I wish that before rejoining alma mater you must assure your parents to change yourself to derive out the best out of your good self. It has rightly been said that those who achieved something extraordinary in their lives, they had burnt the midnight oil. No success is possible without great efforts. The more you sweat in the playground, the more easily you get a chance to achieve your goal. So, dear children set your goal, do hard work, be the exception, think positive, the world is waiting for you.

With regards,

*Colonel Ashok Mor
Principal & Director*

MESSAGE FROM HEADMISTRESS

Kamla Nehru School, a dream home, came into existence in 1973. A number of students came here with dreams of sparkling future and achieved the same.

It's a place where students are taught skills like table manners, self discipline and more importantly social service to the society in which they live. Co-curricular activities are designed to nurture their talent & creativity. The seasoned faculties provide homely atmosphere helping students adjusting themselves here. Every member associated with the junior wing are working tirelessly for the benefits of students. Now in general, I welcome the students after a long time and pray to the Almighty for a successful future ahead!

WHY I JOINED MNSS

Hello friends, I am Kanak Sharma (SMGK 1451), a student of class 6th. Dear friends I like to share my idea behind joining MNSS. There can be numerous reasons and excuses to change their alma mater but for being part of a residential school, it is always a matter of prestige for those who have left their comfort zone behind to become a self-disciplined and responsible individual. Secondly, there is a rare combination of sports with academic excellence which could not be possible anywhere and most particularly in day boarding schools. The things that attracted the kind attention of my parents towards MNSS are the healthy atmosphere with state-of-the-art infrastructure and realization of the concept of an all-round development of the child. After joining MNSS when I look behind and recollect my experiences of the day school now, I find myself a complete student in true sense. Although there are miles to be covered with hard work, I am sure as a student of this school I can achieve every goal with ease. Here I don't need to think how, in fact, when I look forward for any aim to achieve, I found lots of expertise in the form of teachers, coaches and so many experts.

In the last I like to say I am one of the luckiest fellows who is blessed with the supreme blessings to be the part of such a brilliant institution.

MY EXPECTATION FROM MY SCHOOL

My name is Yashika (SMGK-1478). I study in class 5. The name of my school is Motilal Nehru School of Sports, Rai.

I am just attending online classes I have never been to this school. I expect that there would be a big building in which our classrooms would be. There would be many playgrounds according to different sports like Cricket, tennis, hockey etc. There would also be swimming pool. The teachers would be well qualified not only in academics but in sports also. I am excited to join my school as soon as possible and want to enjoy horse riding.

My school will focus not only on completing the syllabus, but will also teach how to learn new things. I expect my school will teach me how to live and solve situational problems. My school must know my likes, dislikes, my latent potential and interests and will work on my holistic development. I expect that my school will be using digital resources like smart board and has digital library.

I expect my school's motto would be to make us good human beings and not a product which gets

good marks and would not judge us on the basis of percentage we obtain in exam.

My school indeed is my second home where I will spend maximum of my childhood time in the company of parent like teachers and sibling like peers in safe and secure environment.

"Student is a reflection of the School as well as teacher's character"... - Amen!!

The interviewee is our loving teacher & incharge, KNS who joined KNS as Maths teacher on 7th July 1976 and retired as Incharge, KNS on 23 April, 2008.

Interviewer(BBK): Hello Ma'am.

Mrs. S.Thukral (ST): Greetings to you all

BBK: It's my pleasure to talk to you after such a long period. I would like to share with you that we are going to bring out an e-magazine of our school and wish to introduce you to our present students through this. I hope you wouldn't mind me asking you a few questions.

ST: Sure, please go ahead.

BBK: Which was the most comfortable corner in school for you?

ST: (smiles) This is a tricky question. But for me, each and every corner of the school was comfortable. Be it a library where I loved to read, Maths Lab, Exam Cell and of course, Staff Room.

BBK: Why did you choose teaching as a profession?

ST: Teaching is a profession to prepare professionals, that shapes the character, calibre and future of an individual.

BLISSFUL MEMOIRS

BBK: Which phase during service was the most challenging to you?

ST: Fortunately, the people around me were so good that I was able to overcome every challenge with their cooperation. The most challenging time was when KNS children were given admission in class one. We had to play the role of their second mother and handle them very carefully and lovingly. Our present P & D Col. Ashok Mor is the finest example. He can answer it better.

BBK: One amazing thing about you is that even now you remember the birthdays special occasions and school numbers of all the students. What is the secret behind this sharp memory?

ST: Well, this is God's gift to me.

BBK: Ma'am, Your message for the RAISTS?

ST: सच्चे रिश्तों का तो बस एहसास ही काफी है। Raists have created a better world and this gives me immense pleasure. My students have achieved the utmost position in different fields not only in India but in foreign countries too.

My special message for Raists

Hard work beats the talent when talent does not work hard.

अगर पेड़ भी चलते होते!

अगर पेड़ भी चलते होते,
कितने मजे हमारे होते।
बांध तने से उसके रस्सी,
चाहे कहीं भी हम ले जाते।

जहाँ कहीं भी धूप सताती,
उसके नीचे झट सुस्ताते।
जहाँ कहीं वर्षा हो जाती,
उसके नीचे हम छिप जाते।

भूख सताती अगर अचानक,
तोड़ मधुर उसके फल खाते।
आती कीचड़ बाढ़ अगर तो,
झट उसके ऊपर चढ़ जाते।

अब यह चिड़िया कहाँ रहेगी.....?

आंधी आई ज़ोर-ज़ोर से
टूटी डाली बहुत शोर से
उड़ा घोंसला-अंडे फूटे
किससे दुख की बात करेगी?
अब यह चिड़िया कहाँ रहेगी?

हम ने खोला अलमारी को
बुला रहे हैं बेचारी को
पर चीं चीं कर वह सुबक रही..
इधर उधर है फुदक रही
घर में क्या वह आएगी?
कैसे ये दुख सह पाएगी ?
अब यह चिड़िया कहाँ रहेगी?

घर में पेड़ कहाँ से लाएँ?
कैसे इसका मन बहलाएँ?
कैसे फूटे अंडे जोड़ें?
कैसे नया घोंसला बनाएँ?
किससे मन की बात कहेगी?
अब यह चिड़िया कहाँ रहेगी?

मैं नटखट चतुर चूहा

मैं एक चतुर सयाना चूहा हूँ। मैं घर के पीछे सोता हूँ। मौका पाते ही मैं घर के अंदर घुस जाता हूँ। मैं अपनी लंबी पूँछ दुबकाए एक कोने में बैठा रहता हूँ और अपनी तेज़ नज़र से जान लेता हूँ कि रास्ता साफ़ है। मैं इतना छोटा हूँ कि कभी-कभी आपके पैरों के नीचे से भी निकल जाता हूँ और आपको पता ही नहीं चलता। मुझे खुले फल, अनाज, मूंगफ़ली, चॉकलेट, बिस्कुट सभी में मुँह मारने में बहुत आनंद आता है। यदि कुछ न मिले तो कपड़ों की अलमारी में घुस सारे कपड़े कुतर जाता हूँ। मुझे सोते हुए बच्चों को काटने में बड़ा मज़ा आता है इसलिए मैं सदा पिंजरा लगा के रखती हूँ। जैसे तो मैं बहुत चालाक हूँ। पर जब पिंजरे में परांठा लगा हो, तो खुद को रोक नहीं पाता। एक बार जो फँसा तो मैं मुझे अपनी बिल्ली को दे देती हूँ, परंतु अपनी फुर्ती से मैं बिल्ली को चकमा देकर फिर से भाग जाता हूँ। मैं एक नटखट चूहा हूँ पर मैं बहुत चतुर और सयाना चूहा हूँ।

स्वच्छ भारत

स्वच्छ भारत होगा हमारा,
बने यही लक्ष्य हमारा,
देश हमारा सबसे न्यारा,
भारत है हम सबको प्यारा।

आओ सब मिलकर करें सफाई,
है यही कर्तव्य हमारा,
गांधीजी का था यही नारा ..
साफ-सुथरा रहे देश हमारा।

स्वच्छ भारत अभियान को
जोरों शोरों से चलाएँ,
कामयाब इसे बनाएँ....
हम सबका हो अब यही नारा।

जय स्वच्छ भारत हमारा....
जय स्वच्छ भारत प्यारा....
जय स्वच्छ भारत न्यारा।
