GENERAL INSTRUCTIONS FOR MID TERM EXAMS

Please read the instructions carefully and follow the same for the successful execution of the Mid Term Examinations, 2020.

1. The Mid Term Exams will be held from 12th Sept. to the 29th Sept., 2020. Due to the extra ordinary circumstances prevalent in the country, a gap of 2 to 3 days are being given so that students are not subjected to any unnecessary pressure.
2. 50% of the paper will be subjective in nature. Hence the question paper must be made in Google Form. Students will be asked to join in Google Classroom.
3. 50% of the question paper will be in the form of MCQs. Teachers will, therefore, only need to evaluate the subjective part of the question paper. The subjective part of the answer scripts will be attempted by the students on A-4 size sheets and submitted in the form of PDF.
4. Pictures, diagrams and unseen passages can be copy-pasted on the question paper.
5. Since teachers have faced a problem of Google Form not accepting more than 100 students at a time, teachers must save the same question paper under two names for eg. English I and English II. English I can then be given to sections A and B while English II can be given to sections C and D.
6. The subjective part of the paper will also be typed in Google Form, where the answer will be listed as '**NOT REQUIRED**' and weightage of the question will be '**0**'. The student will merely read the questions and write the answers on A-4 size sheets to be duly uploaded in PDF.
7. Students upto class 7 will log in using their parents ID, while from 8th onwards they will use their own IDs.
