

Dear students and guardians,

We hope that you are all safe. Due to the rapid escalation in covid cases, P&D has ordered that **new session should not start offline till the 30th of April**. We will inform you as and when we decide to call the students to school. **Annual results** will be uploaded on this website by the **17th of April**. **Students' online classes** will resume from the last week of April.

Please take utmost care of yourself. God bless you always 🙏🙏

Moushumi Ghoshal

Vice Principal
