COVID PROTOCOL – MANDATORY DIRECTIONS FOR STUDENTS & PARENTS

The govt. has permitted the reopening of residential schools with some mandatory directives to be followed by the school. They are --

1. Student reporting back to school must come with Covid 19 test (RT-PCR) conducted not more than 72 hrs earlier than the reporting date. Covid test can be undertaken at any govt. health centre, hospital or by any recognized private laboratory with the result provided in a printed report. Parents must ensure that RT-PCR test is conducted in their presence. Student must report on the dates mentioned in the schedule with their parents.

NO STUDENT WILL BE ALLOWED UNESCORTED, including senior boys.

2. Any student who has symptoms like dry cough, fever, loss of smell etc. will not be booked in.
3. Student reporting back must come with the following items --
 - (i) Washable cloth face masks – 6 nos. with student's name and school no. written in the front left corner with indelible ink. (permanent marker)
 - (ii) Hand sanitizers – 2 nos. of 200 ml each.
 - (iii) Adequate number of under garments and towels.
 - (iv) Large hankies/face towels – 6 in nos.
 - (v) ALL OUT mosquito repellent machine and refill bottle.
4. No mobiles or other electronic devices will be allowed, even for any online coaching.
5. **NO LEAVE** will be granted once the student is booked in. No short leave for minor purchases will be allowed, including books, shoes, toiletry items. No leave for attending wedding or related ceremonies, illness of family members etc will be granted.
6. Non essential activities like parties will not take place.
7. **NO PARENTS WILL BE PERMITTED TO MEET THEIR CHILDREN AFTER THEY ARE BOOKED IN.**
8. In case a student tests positive during his/her stay, he/she will be immediately removed to the Civil Hospital, Sonipat and parents will be informed. Patient will then be handed over to the parents.
9. Students who flout the above rules will not be permitted to stay in the campus and parents will be asked to take them home as they might be potential risk for other students.
